# Benefiting Jacob's Fund

**P**leasant Hill Christian School's "Jacob's Fund" was begun in 1998 in memory of Jacob Cochran. Jacob was born in 1987 with "Hurler's Syndrome", a rare genetic disorder. With his "carrot top" red hair Jacob was a very visible member of the Sebastopol community and in particular Occidental Community Church. He was friendly to everyone who came to talk to him, quick to smile and loved to play ball games with his brothers Joe and Dan. Jacob had a particular affinity for colorful and often unusual socks of which his collection numbered in the hundreds. He also loved hats, from cowboy to fireman to Peter Pan, and seldom left home without one.

Jacob passed from his mother's arms to the arms of The Father on November 22, 1998. God's provision for Jacob and his family was amazing and abundant during his short life, and upon Jacob's death the decision was made to honor God's gifts through support of PHCS. Donations to "Jacob's Fund" will be used to support Christian education in our community.

## Pleasant Hill Christian School

**P**leasant Hill Christian School began in the summer of 1982 as a result of the vision of two experienced, credentialed, Christian teachers. It was their desire to provide children with a challenging and exciting atmosphere for acquiring knowledge that would be conducive to the development of Christian character. Over the years the goal of Pleasant Hill Christian School is still the same: to provide each child with an excellent academic program, as well as to lovingly encourage spiritual development. Pleasant Hill Christian School currently serves 35 students in a Kindergarten through sixth grade program that endeavors to promote a quality education by teaching the basic skills needed and building upon them. The program includes strong Music, Art, Spanish and Physical Education components. Approximately 30 percent of the students attend with financial support.
